# Technology Use

- Online Resource
  - Canvas (LMS)
    - Yim's web-site (<http://math.yimcentral.net>)
  - Facebook Group (optional, but useful)
  - HMH Online Materials (AGA only)
  - DesMos Graphing Calculator, Wolfram Alpha
  
  - Google/Khan Academy can be your friend...

# Misc. things...

When am I available for extra help?

- Tutorial
- After school or lunch – by appointment

How do I find out how my child is doing?

- AERIES?/CANVAS
- talk to me... **e-mail me or meet me in person**

# Road to Success via HW

“practice ‘till you can’t fail” - unknown

- assigned everyday
- HW calendar (pdf file and calendar in Canvas)
- 5 points for ea assignment (based on completion and *correction*)
- students should be able to do MOST homework questions (without prompting)... otherwise, *immediately* coming to TUTORIAL is a good idea.
- assignment completed with prompting means doing more ‘till prompting isn’t necessary.

# Weighted Grading

## Trig./Precalc

### Honors

Assignments: 10%

Assessments: 75%

Final Exam: 15%

## Algebra 2

Assignments: 20%

Assessments: 65%

Final Exam: 15%

# Final Word

Student's academic success depend largely on family support in addition to his/her priorities.

High school is a time when students needs to **advocate** for themselves. Encourage your student to seek help **prior** to getting behind.
